

Options and Upgrades List

Not all-inclusive, I know that I have missed some items.

Specification subject to Change as Yearly upgrades are completed!

This coach is a well-maintained and drivable unit. It will take you there and get you home in style. It rides like a "BIG" Cadillac. We spent 3 months in Florida 2007, 2008, 2009 and 2010.

It is an "Award Winning Coach"! It won 2nd place "Peoples Choice" at Nashville GMCMHI rally 2002.

It was "Featured Coach" for GMC Motorhome Marketplace Magazine December 2004

It is a documented coach with all records dated back to 1983 including the bill of sale. This was a dealer coach non-titled until that point. We are the second owners. Comes with all documents for installed items on coach, mods and service records.
