Unfortunately Finnair cancel freighter to this destination.

The best option is British Airways Cargo.

Igor, Of course you realize I am not happy about this
We did make a contract on shipment and I expect you to deliver on that: delivery 7-9 days price 845.23
You have already drawn that amount from my master card account may 9th.
Linda wrote to me may 7th that all the paperwork was ready so shipping could be arranged and I have booked worksop time freday in anticipation of delivery as agreed

One of the reasons I choose your company was the fair price. Please do not make me feel sorry I did
